DISABILITY ENTRIES: Entries for swimmers with disabilities should be submitted on the attached entry form indicating preference for seeding, and highlighted on the hard copy of the LSC's meet

entry. Classification of a swimmer with a disability is irrelevant. It is the responsibility of the swimmer, or his/her coach, to inform the Meet Referee of any disability-related accommodations he/she may need to compete in advance of the meet. The Meet Referee shall inquire about the swimmers' needs and determine any modifications that may be required. This information will be relayed to the starter and stroke and turn judges. Visually impaired swimmers who require tappers must bring their own devices and individuals to use them. The Meet Referee may reassign the lane of a deaf swimmer if a required view of the strobe light is obscured, and the light cannot be repositioned. It is the responsibility of the USA Swimming Disability Swimming Chair to provide the Meet Referee with current American Records for swimmers with disabilities. It is the swimmers' responsibility to complete and submit an application for an American Record should one be set.

MEDICAL RELEASES: The Southern Zone and Meet Host recommend a Coach carry emergency releases for their athletes.

CODE OF CONDUCT: All athletes and coaches are required to sign the enclosed Code of Conduct in order to participate in the meet. Forms must be turned in at the general meeting.

FORMAT: The Meet Referee and the Meet Director reserve the right to run the preliminary sessions using "flyover" starts or as a dual ended meet with "chase" starts if necessary based upon the number of entries and subsequent preliminary timeline.

Top eight swimmers from each event in the preliminary session will qualify for finals. There will be only one championship heat per event during finals.
